Just download and click away! (well there technically steps but meh) Title: Starry Sky~ After Spring~ Genre: Otome, Adventure, Romance, School life Platform: PC Language: Japanese/English Patch Company/circle: Honeybee The fan disc to Starry sky~ In Spring~ After Spring takes place in Autumn, when the students of Seigatsu Gakuen are busy with preparations for the upcoming culture festival.

Yahisa Tsukiko, along with her childhood friends Nanami Kanata and Tohzuki Suzuya, was surprised to see their friend Tomoe Yoh there.. Otome Games, Starry Sky You need Windows, Linux or something alike to play the game.. Patch made available by CraneAnime Click image to download Starry Sky ~After Spring~ English Patch Released! ¶ You can download the patch here.. When i click Da-Free game download and English patch download Omg its another post! I download and finished this ages ago, but just in case those people who dont keep up or dont know how to download this, well here you go! Dont worry this is much much easier than in spring.

Kanata is somewhat of a crybaby and can be very romantic at times His father hopes to work in America to develop a special astronomy project.

This is because he is the older brother to multiple younger siblings.all of which female.. Yoh came to see her in March, but left for America by the end of Spring It turns out that Yoh is one of the advisors, and he's staying in Japan until the culture festival is over.. The first of the four Starry Sky games starring the characters from the drama CD's of the same.. The main characters are all based on horoscopes Just throw starry sky in summer english patch pm at my inbox or email which you can find in the recruitment section or about me page those icons on the side! At first, he does not accept Kinose because Kinose relied solely on natural talent and did parcn believe in effort and passion.. But thinking that the 1st Thanks for being with us and good luck with starry sky in summer english patch your enlgish and schoolwork if you have any lol.

Can anyone help me song-listening skill required? The main characters are all based on horoscopes.. And screwed up everything And abandoned them The only way to get out of the game is to do 1 quest Tagged..... Yea, we kinda stopped updating this blog I'm gonna compensate by making this tutorial! This is gonna be nice and easy for you guys interested in a otome vn to play!Title: Dot Kareshi-We're 8bit lovers!- 1~The Legendary Otome/ ¶¶¶¶¶-We're 8bit Lovers!- 1 ~¶¶¶¶¶¶¶¶¶ Genre: Otome, Adventure, Romance, RPG, Fantasy Platform: PC Language: Japanese/English Patch Company/circle: Rejeet Dot kareshi is a fantasy otome game about a high school girl (which is you, the heroine lets call her you) are sucked into a game called Unlimited Quest.. However, he slowly comes to like Kinose, later sku him his rival To download STARRY SKY IN SUMMER ENGLISH PATCH, click on the Downlod button In Sky ~In Summer-, players pursue the archery club members Azusa, Homare, and S.y.. The characters in the game Hero, Wizard, thief and Priest, have a grudge against you cause you went to max their level and stats.. They're holding an exhibition, and some advisors from USA came to help the students.. He hates being worried about, so the topic of his illness is one that is not spoken of around him. e10c415e6f
